### Pollinator Packages

We are offering specifically selected pre-made packages of **10 (ten) pollinator-friendly native plants** for a variety of garden situations (see next pages for plant list and info):

- A. **Shady Showstoppers** – Medium-dry woodland, shade and semi-shade
- B. **Meadow Magic** – Medium-dry prairie, full-sun, open space
- C. **Raindrop Delights** – Medium to wet, mostly sun, rain-garden
- D. **Butterfly Beauty** – Medium to dry, full sun, butterfly host and pollinator magnet

Each set consists of **10** different specially selected quart-sized native perennials, a suggested garden design and one free extra native perennial (our choice, but it will fit with the set.)

**Each set (11 plants in all) costs \$65.00.** That's a savings of over 17\$ the retail price.

### Trees and Shrubs

No habitat landscape is complete without a layer of trees and shrubs.

We are offering specially selected landscape worthy trees and shrubs that will complement the pollinator packages or fit into a variety of habitat situations. (See last page for tree info and pricing.)

- Each tree/shrub is reasonably priced with special discounts given to multiple orders.
- **SAVE** if you order three trees of the same species.
- Get a **FREE TREE** if you order 10 or more trees of any species.
- *The more you buy the more you save.*

**ORDER DEADLINE:**  
Friday, March 30, 2018

**PICKUP DATES:**  
Friday, May 4, 2-6pm;  
Saturday, May 5, 10am-2pm

**Quantities are limited,** and available on a **first come, first served basis.** So order early to ensure you get the package(s) and trees you desire.

**IMPORTANT NOTE:** Some plants listed may become unavailable due to losses during the growing season. (If your order cannot be filled, a full refund will be made.)
